SUBJECT: 2023/2024 STUDENT INSURANCE PROGRAM
ENROLLMENT IS NOW ON-LINE

Fresno Unified School District does not provide medical coverage for your child. This means you are responsible for medical bills if your child gets hurt during school activities. Any expense incurred when the school calls for emergency medical help is the responsibility of the child's parent/guardian.

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses.

Some students may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling 1-800-880-5305.

We are pleased to make available to you, accident insurance coverage through Student Insurance Company of Los Angeles www.studentinsuranceusa.com With this link, you will be able to view the different coverage options and prices available to you.

If you are interested, you can log in and sign up for the selected coverage and your child will be covered on the same day it is purchased. For students who participate in athletics, we recommend the middle or upper ranges of coverage plans.

If you have questions regarding coverage options, call Student Insurance Company directly at (800) 367-5830. Please do not call the school.

Fresno Unified School District makes this accident insurance available to you as a public service and is not in any way connected with the Student Insurance Company or its representatives.
